Please note: To review information about individual workshops, please [click here](#). If you are registering for the Dance Teacher training course, we request that you complete the online course [application](#) before completing your registration. Thank you!

Online registration is preferred. However, if you'd like to mail in your final registration and payment with a check, please complete this online registration and select "Print and Call" instead of entering credit card details. Registration deadlines: Final registration and payment, whether online or by mail, must be received in full no later than **10 days** before the start date of the workshop. Registrations received after this time may be accepted on a case-by-case basis, but are not guaranteed.

Questions? Please call David at [718.624.8400](tel:718.624.8400) x 240.

Cancellation policy: Workshop registrations paid on a credit card and canceled at least one week before the scheduled workshop will be fully refunded minus a \$15.00 credit card processing fee. Mailed in registrations that are canceled more than one week before the scheduled start of the workshop are fully refundable minus a \$5 processing fee. Refund requests for cancellations less than one week before the scheduled start of the workshop are considered on a case-by-case basis and may not be honored. In cases where a refund is not possible, credit for attendance at a future workshop will be offered.

All online payments occur through this certified, secure SSL-encrypted shopping cart and are processed by Discalced, Inc (dba Mark Morris Dance Group).

Credits: Although you will not receive certification in our method by attending this workshop, the introductory teacher training workshop is a prerequisite for future Dance for PD certification. We do not offer Continuing Education credits at this time, but we're happy to provide you with a letter of participation, upon request, after the workshop.

Coordination of programs: Dance for PD classes may already exist in or be planned for your community. Since Dance for PD programs function collaboratively rather than competitively, we'd like you to be aware of local programs that are on-going or about to be launched. These programs may be looking for additional teachers or assistants. We can help you make contact with local teachers and coordinators. To find a list of classes around the world, please [click here](#).

Teaching program: If you are registering for the Dance Teacher program, you acknowledge that you have already completed the online questionnaire. The questionnaire can be accessed [here](#).

Affiliation: Dance for PD® is a registered trademark. The Dance for PD® name is reserved for those classes taught by certified teachers, or for those programs that are officially licensed by us, although we happily provide logistical and planning support to teachers who are developing classes based on our model. Additionally, attendees in the Enrichment course (EPE) who are offering exercise, movement or somatics classes are not permitted to make reference to Mark Morris Dance Group in promotional materials without written permission from MMDG. By preregistering for this workshop, you acknowledge that you understand and will abide by this policy.
